December 17, 2007

Dear Parents,

Thank you for your interest in the Weintal Preschool. In the past seven years, we have prided ourselves on the excellence of both our teachers and our programs. We have a state of the art facility, as well as a comprehensive instructional library. However, none of that matters if there isn't time and space for your child to do what he/she is driven to do at this age; grow and explore in an environment that offers safety, security, and most importantly, love. One need only walk through the halls of our preschool to hear and see the joy and laughter of the children as they go busily about their work and their play. In seven years, we have grown from 30 children to over 60 children. This is reflective of the warm, nurturing and embracing atmosphere we have here at Weintal. Come experience the joy and the love that we provide here. You will be happy with your decision.

For those returning parents, thank you for helping us to build our terrific reputation in the community and for referring so many parents and children to us. I can't tell you how many times I am stopped by prospective parents and they tell me that they heard of our quality programs from those who attend here. You are a huge part of the success of our wonderful preschool. Thank you.

Enclosed please find our registration materials for 2008-2009. We are pleased to offer a variety of programs for children ages 2½ to 5 years old. We are also offering our very successful Early Childhood programs, that focus on the needs of infants and toddlers under the age of 2 ½. These programs are a wonderful introduction to the Weintal Preschool.

We also offer enrichment programs for your child. Enrichment programs such as Art, Soccer, Yoga, Spanish, Cooking and Tumbling are another way of enhancing and extending your child's preschool day. Enrichments will begin in the Fall. Information packets (with program options and fees) and registration forms will be available at the start of school. Other available programs include our Early Morning Drop Off Program and our Stay and Play extended day program. Registration for these programs is done on a month to month basis.

We believe our program to be a unique and an outstanding one. We have nurturing teachers, a lovely environment and we care for each child as an individual. By enrolling at Weintal, you are ensuring a wonderful preschool experience for your child.

Thank you for your interest in our program.

Wishing everyone a healthy and happy holiday season,
Gloria Jordan
Director

Admission Policies

Weintal Preschool is open to children without regard to religious beliefs. The preschool program serves children between the ages of 2 ½ and 5 years old.

To be eligible for the 2 ½ year old class, children must be 2 ½ by October 1, 2009.

To be eligible for the 3 year old class, children must be 3 by October 1, 2009.

To be eligible for the 4 year old class, children must be 4 by October 1, 2009.

Children in the 2 ½ year old program do not have to be toilet trained, but it is strongly recommended for children ages 3 and above.

The Director of the Weintal Preschool has the authority to determine if it is in the best interest of the student or his classmates that he/she be withdrawn from the program. If it is determined by the Director that the school does not meet the child's need, any tuition that has been paid, but not applied, may be refunded.

Registration Materials

Please note the dates in the enrollment policy section. We will not accept applications before those dates. We will do a lottery, if necessary, and every effort will be made to honor your requests. Please be sure to return your forms with payment by the appropriate deadlines or you will lose your priority status.

We urge you as well to read all of the material in the payment policies section. Please make sure you understand the material before you sign the contract.

Please call with any questions or concerns. If you want to drop off your forms, in person at the appropriate times, please feel free to do so. We will be conducting an **Open House on Wednesday January 16th from 10 am - 12 pm**. At that time, you can take a tour of the school and receive answers to any questions that you may have. Please let your friends know about the Open House! (The school will be closed for winter break Dec 21st – Jan 1st.)

Enrollment Policies and Procedures for the 2008-2009 School Year

To enroll your child in the Weintal Preschool, please return the registration/program options form with a \$50 registration fee and a deposit of \$250. If you are enrolling more than one child, the registration fee is \$35 for each additional child plus an additional \$250 deposit fee per child. Tuition for the second child will be at a 10% discount. The deposit is required in order to secure your child's place in the program and will be applied toward the tuition. An application will not be processed without the required fees and deposit. **The registration fee and deposit are non-refundable.**

As noted below, members of CBI will be given priority in the enrollment process. It should be noted that our preschool has grown at an enormous pace, and if you are considering joining CBI, this may be an excellent time to do so. As further incentive, the Board is offering a "Families Just Starting Out" category. You may be eligible for a discount from the regular synagogue rates as well as the discount on preschool tuition. If you are interested in further information about this, please contact me before January 1st.

1. Members of CBI will be given priority status in the enrollment process. You must be a member of the congregation by January 2, 2009 to receive priority in the registration process. Registration forms for members will be accepted beginning on January 2, 2009. Applications, fees and deposit must be received by January 7, 2009. Registration will take place by lottery for CBI members, if necessary

2. Registration for non-member current students and their siblings will begin on January 8, 2009. Applications, fees and deposit must be received by January 11, 2009 in order to be in the current non-member family lottery, if necessary. Registration will take place by a second lottery for current non-member families. If you are currently participating in a parent child enrichment program, please consider yourself to be in this category.
3. From January 14-18, 2009, applications will be accepted from non-member siblings of former students (alumni). Applications, fees and deposits must be received by January 18, 2009 in order to be considered in this category. Registration will take place by a third lottery, if necessary.
4. Beginning on January 21, 2009, applications will be accepted for all other families wishing to attend the Weintal Preschool. Children will be placed on a first come, first serve basis.

No one is eligible for priority registration after the priority registration deadline has passed.

All registrations must be accompanied by the registration fee and deposit in order to be considered.

Payment Policies

Tuition is the annual fee for the school year. You may pay in full or in three installments. If you pay in full on or before July 15, you will receive a 2% discount on tuition only. Enclosed in this packet is a tuition fee schedule. The first tuition payment is due on or before July 15, 2009.

The other payments are due on October 15th and January 15th. The deposit of \$250 will be applied toward your tuition. In order to accommodate all those who seek admission, we must have the first tuition payment within five days of the due date. If we do not receive the payment then, we do reserve the right to fill the slot. Please keep the tuition fee schedule sheet handy and remit your check even if you haven't received a bill.

Enrollment is considered to be for the entire school year. There will be no refunds even if the child is absent due to illness, holidays, vacations or snow days. Additionally, there will be no refund if the child has not attended school during the time period covered by the tuition already paid. Once you have paid tuition, and there is a need to withdraw your child from the school, reimbursement will be made at the discretion of the Director.

Early Childhood Programs 2008-2009

The Early Childhood programs are a wonderful introduction to the preschool environment. Led by our very own preschool teachers, the programs incorporate the elements of a preschool day in a small, enriching atmosphere.

Mommy and Me

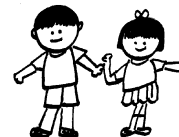

This class is for the child between the ages of 18-24 months and their parent or caregiver. This 45 minute long class will consist of music, gross motor activity, play time, arts and crafts and snack. It will allow your child to have that first real socialization experience while exploring a safe and nurturing environment. This is also a perfect opportunity for moms or caregivers to meet others with children of the same age.

Offered mornings once per week for 10 weeks at a cost of \$150.

Me and My Shadow

This is the perfect class for that soon-to-be preschooler, and a great transition class for anyone considering our January 2½ program. The hour and 15 minute class is for children who are between the ages of two and two and one-half years old and their parent or caregiver. Taught by a dynamic teacher, the children will be able to engage in their favorite past time - exploring and mastering their universe in a safe and nurturing environment. Patterned after a typical preschool morning, the children will have a morning that consists of music, playtime, arts and crafts, gross motor activities and snack. Most of the children enrolled in Me and My Shadow continue on in the January 2 ½ class. It is recommended to register for both as the classes fill quickly.

Offered mornings once per week for 10 weeks at a cost of \$200.
